- Students must treat all instruments (including the CFS alto and bass flute, other students' flutes) with respect and care.
- Communication is appreciated! Please let me know if you are running late, lost your music, need to request an excused absence, or anything else I may need to know.
- Come to Flute Choir ready to have fun! That's what playing in Flute Choir is all about.

Music will be distributed at the first rehearsal.

Tuition/session = \$300 payable via Venmo or Zelle.

Invoices will be sent via email. A minimum enrollment of six students is required in order for the session to take place.
